# Give a gift that keeps on giving

Establish a legacy for your loved ones, such as a grandchild, today with a whole life insurance policy. With a series of gifted premiums, the tax-deferred savings in the policy can be used in many ways:

As young adults, your grandchildren could access the cash value in their policies to help finance their college educations.

Your grandchildren could access their policies to assist with a down payment on their first home or help fund a business opportunity.

In retirement, the cash in their policies could be used to supplement other income sources, and they would still have a death benefit for their beneficiaries.<sup>1</sup>

You have the opportunity to give a financial gift they can enjoy during your lifetime and for generations to come. See how life insurance can be part of your legacy to them.

## A policy for their whole lives

Your annual gift of a life insurance premium can provide **long-term, tax-deferred cash accumulation.**

Annual policy loans can **help make college choices a reality.**

Access to cash can provide **supplemental retirement cash flow** and a death benefit can still be passed to beneficiaries.

A policy loan can help provide the **down payment for a new home**, or the capital to start a business.
